**Marriage and Family**

The Christian family is one of the greatest statements to the world that God is in our midst. The love and commitment demonstrated by a husband and wife show the power of God mightily at work.

Obedient and joy-filled children demonstrate that God’s ways of raising children are not outdated, but perfectly address the challenges of the 21<sup>st</sup> century family.

**A few thoughts on divorce:**

Although divorce is rampant in our society, it is nothing new to God. In fact, the Bible gives several reasons to stay true to marriage even when it is difficult.

1. Which of the following best represents the marriage relationship according to Malachi 2:14 and Deuteronomy 23:21-23?
  - a. A casual agreement just between two people?
  - b. A solemn vow made before God?
  - c. An expression of two people’s love for each other?
  
2. If divorce was simply the mutual agreement to break a promise made between two people - that would be one thing. However, the Bible says that the marriage union is not just of human origin.

Who created the bond between a husband and wife? Malachi 2:15a; Matthew 19:6

\_\_\_\_\_

3. Whose well-being does God think will be affected by divorce? Malachi 2:15b  
\_\_\_\_\_
  
4. There is one occasion where divorce is permissible. Read Mathew 19:1-9. What is the one cause that our Lord speaks about here, that would allow divorce? \_\_\_\_\_  
\_\_\_\_\_
  
5. According to Malachi 2:16, what does God think of divorce? \_\_\_\_\_  
\_\_\_\_\_

From the verse, why do you think this is the case? \_\_\_\_\_
